

**BANKING POSITION**  
**JOB DESCRIPTION**

Branch Manager/Lending Officer

Points West Community Bank  
Dalton and Lisco, Nebraska

This role would primarily be in the Dalton and Lisco Nebraska bank locations.

Job Description

Branch Manager/Loan Officer will uphold a tradition of honesty and integrity as you provide financial transactions to existing and potential customers. We are looking for a dynamic, self-motivated and results oriented banking officer to lead this bank location. This position is responsible for maintaining and developing deposit and loan relationships. The right individual will manage the Dalton and Lisco teams and have a sales driven focus for the PWCB market. This individual will work closely with and report directly to the Regional Senior Managers. Growth within this position will occur by developing and maintaining a working knowledge of all financial products and services.

Minimum Qualifications

We are looking for an individual with excellent communication, interpersonal and problem-solving skills. Demonstrates attention to detail, organizational skills and can manage multiple tasks. Has the ability to listen, follow directions and identify the needs of customers and other team members. College Degree and banking/lending experience preferred.

Technical Skills

Proficient in Windows based software including Excel, Word, Outlook and banking software.

Benefit Package

Points West Community Bank is an Affirmative Action and Equal Opportunity Employer. We offer highly competitive benefit packages. Points West Community Bank generally does not negotiate salary/benefit figures as discussions typically occur later in the recruiting process with qualified applicants. A base range for the position would be \$45,000-\$75,000 annually. Senior and/or tenured applicants may have additional compensation considerations based on previous work, educational experiences and/or certifications, career level, years of experience, or geographic location.
